## PRIVACY STATEMENT

Section 7(b) of the Privacy Act of 1974 (Public Law 93-5791) requires that any federal, state, or local governmental agency which requests an individual to disclose his social security account number shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.

The County of Sacramento requires that all parties entering into business transactions that may lead to payment(s) from the County must provide their valid Taxpayer Identification Number (TIN) as required by the State Revenue and Taxation Code, Section 18646 to facilitate tax compliance enforcement activities and to facilitate the preparation of Form 1099 and other information returns as required by the Internal Revenue Code, Section 6109(a). The TIN for an individual and a sole proprietorship is the Social Security Number (SSN). The Internal Revenue Service (IRS) considers a TIN as incorrect if either the name or the number shown on an account does not match a name and number combination in their files or the files of the Social Security Administration (SSA). Section 3406 of the Internal Revenue Code requires that we withhold 28% in tax, called backup withholding, if the correct Payee name/TIN combination is not provided.

It is mandatory to furnish the information required. Federal law requires that payments for which the requested information is not provided be subject to a 28% withholding and state law imposes noncompliance penalties of up to \$20,000.
