To: Board of Supervisors

From: County Executive

Subject: Designate Ann Edwards, Chief Deputy County Executive, To The Community Corrections Partnership Executive Committee

Supervisory District(s): All

Contact: Nav Gill, Assistant County Executive, 874-5510

Overview

The State Fiscal Year 2011-12 Budget included the realigning of state-local programs that redirects authority and responsibility to the local level, with associated funding. This realignment effort eliminated duplicative administration of services, limited overhead costs, and allowed for locally determined priorities while maintaining statewide goals and objectives. As part of the realignment plan, a Community Corrections Partnership (CCP) Executive Committee was formed to develop and recommend an annual local plan to the Board of Supervisors on how public safety realignment should be implemented within the County. One of the members of this committee needs to be the head of the county department of social services, mental health, or alcohol and substance abuse programs. Under the current county structure, these programs fall under Countywide Services. I'm recommending that the Board appoint Ann Edwards, Chief Deputy County Executive for Countywide Services, to the CCP Executive Committee.

Recommendation

Under the current county structure, the social services, mental health, and alcohol and substance abuse programs reside within Countywide Services; therefore, it is recommended that the Board designate Ann Edwards, Chief Deputy County Executive and Administrator of Countywide Services, to the CCP Executive Committee. She will be filling the position in the CCP Executive Committee recently vacated by Bruce Wagstaff.
