**Measures/Evaluation**

The County must report this data for the period December 5, 2014 – December 31, 2015 to the BSCC on or before January 31, 2016 and annually thereafter for each year a service provider operates with Community Recidivism Reduction Funding.

## **BACKGROUND**

The Budget Act of 2015 (FY 2015-16) allocates \$4 million to the Board of State and Community Corrections (BSCC) for the Community Recidivism Reduction Grants described in Penal Code section 1233.10. This money is an addition to the \$8 million provided in the Budget Act of 2014 (FY 2014-15). Any county interested in receiving a portion of this additional \$4 million must notify the BSCC by September 30, 2015 by means of a letter of interest. This opportunity is available to any county, including counties who chose not to participate in the FY 14-15 grant program.

California Penal Code Section 1233.10(a) states that upon agreement to accept funding from the Recidivism Reduction Fund, created in Section 1233.9, a county Board of Supervisors, in collaboration with the county's Community Corrections Partnership, shall develop, administer, and collect and submit data to the Board of State and Community Corrections regarding a competitive grant program intended to fund community recidivism and crime reduction services, including, but not limited to, delinquency prevention, homelessness prevention, and reentry services.

## **DISCUSSION**

In conjunction with the Community Corrections Partnership (CCP), Sacramento County is currently participating in the FY 2014-15 BSCC Community Recidivism Reduction Grant. On September 23, 2014, the Board voted to accept \$250,000 in FY 2014-15 funding from the Board of State and Community Corrections (BSCC). The CCP selected five NGOs through a competitive Request for Proposal (RFP) process. On June 9, 2015, The Board authorized FY 2014-15 grant recipient contracts for \$47,500 each with Strategies for Change, PES-eps.Inc., Ascend Program, Volunteers of America, and the Eternity Challenge, Inc. to provide recidivism reduction services.

On September 3, 2015, the CCP discussed the FY 2015-16 Community Recidivism Reduction Grant program, and voted to recommend the County accept \$125,000 from BSCC to participate in the second round grant program intended to fund community recidivism and crime reduction services, including, but not limited to, delinquency prevention, homelessness prevention, and reentry services. However, there will be particular challenges associated with cost-effective utilization of the small amount of funding to the County overall, the \$50,000 cap on how much money can be provided to individual grant recipients, and the costs of administering the grant program. It will be important to consider allocating these funds in a way that most cost-effectively achieves the County's objectives.

If the County accepts \$125,000 in funding from BSCC for participation in the FY 2015-16 Community Recidivism Reduction Grant, the CCP will meet for further discussion and deliberation regarding goals, objectives and strategies for use of the funding, to identify the process of selecting providers, either based on the previous RFP results or a new competitive RFP selection process, and return to the Board with FY 2015-16 Community Recidivism Reduction Grant award recommendations.

**MEASURES/EVALUATION**

Service providers that receive a grant are responsible for reporting on the number of individuals served and the types of services provided. The County must report this data for the period December 5, 2014 – December 31, 2015 to the BSCC on or before January 31, 2016 and annually thereafter for each year a service provider operates with Community Recidivism Reduction Funding.

**FINANCIAL ANALYSIS**

The total funding request of \$125,000 includes a 5% administration fee for the county, with the remainder awarded to selected NGOs. There is no match requirement for this funding. Administrative fee funding for the county will be used to administer the program, to include selection of qualified NGOs, contract management, participant and service tracking, and reporting to the BSCC.

DeAnn Baker, Director of Legislative Affairs  
California State Association of Counties  
1100 K Street, Suite 101  
Sacramento, CA 95814

Dear Mr. Cate and Ms. Baker:

The Budget Act of 2015 (FY 15-16) allocates \$4 million to the Board of State and Community Corrections (BSCC) for the Community Recidivism Reduction Grants described in Penal Code section 1233.10 (Attachment I). This money is an addition to the \$8 million provided in the Budget Act of 2014 (FY 14-15). Any county interested in receiving a portion of this additional \$4 million must notify the BSCC by September 30, 2015 by means of a letter of interest. This opportunity is available to any county, including counties who chose not to participate in the FY 14-15 grant program.

Counties that notified the BSCC of their interest in participating in the grant program in FY 14-15 were required to submit Board of Supervisor meeting minutes authorizing the county to receive the grant funds. For funding in FY 15-16, counties whose prior Board approval for accepting funding was not limited to the FY 14-15 funds and otherwise does not restrict receipt of additional funds are not required to submit new meeting minutes of approval. If the prior Board approval was limited in this manner, new meeting minutes that show a vote of approval for receipt of additional funds in FY 15-16 is required.

The county must award its grant dollars through a competitive process to a nongovernmental entity or a consortium or coalition of nongovernmental entities that provide community recidivism and crime reduction services to persons who have been released from state prison, a county jail, or a juvenile detention facility, who are under the supervision of a parole or probation department, or any other person at risk of becoming involved in criminal activities. To afford maximum flexibility, if your county has already completed this competitive process with the FY 14-15 funding, counties may allocate FY 15-16 funding to those service providers who competed for the FY 14-15 funding, or counties may choose to initiate a new competitive process. Please note that an allocation to any service provider is capped pursuant to paragraph (e) of Penal Code section 1233.10. Each county may use up to five percent of its allocation for administrative costs.

Counties that received FY 14-15 funds and counties that choose to participate in the FY 15-16 allocations are also required to collect and submit data to the BSCC on grants awarded. Service providers that receive a grant are responsible for reporting to the county Board of Supervisors or the Community Corrections Partnerships on the number of individuals served and the types of services provided. The Board of Supervisors or the Community Corrections Partnerships must then

report this information to the BSCC on or before January 31, 2016 and each year thereafter until the final reporting date of January 31, 2021, as applicable (please note that this due date is a change from the January 1, 2016 due date you were advised of in a prior email to provide you with additional time to compile the data). Specifically, on January 31, 2016, participating counties must provide the BSCC with data collected from December 5, 2014 – December 31, 2015 and annually thereafter for the prior calendar year. This data must be reported for each of the years that a service provider operates with these funds. If all funds are not encumbered by a reporting date, counties will report on any funds that have been encumbered and provide detail on the funds that have not been encumbered. The BSCC is developing a data reporting spreadsheet to streamline the data collection process and will be sending it, electronically, to the county's primary contact when it is finalized.

The FY 14-15 funding as well as the FY 15-16 can be spent over four years after allocation of funding to counties. Any funds not used by a county or a service provider within four years will revert back to the state General Fund.

If you have any questions, please refer to the Frequently Asked Questions attachment or feel free to contact me directly. You can also contact the BSCC's primary staffer working with this grant, Megan Barber-Brancamp, at [megan.barber-brancamp@BSCC.ca.gov](mailto:megan.barber-brancamp@BSCC.ca.gov) and (916) 445-9435. Additionally, if you have not already done so, please provide Megan Barber-Brancamp with the contact information for your county's primary staff person working on the Community Recidivism Reduction Grant program.

Sincerely,

KATHLEEN T. HOWARD

Board of State and Community Corrections
