OYCR MANDATE: Review of County Plans

Office of Youth and Community Restoration's (OYCR) will publish a Summary Report of the county plans as anticipated by Senate Bill 823 (Chapter 337, Statutes of 2020).

These plans document a critical step in California's approach to caring for youth who have committed law violations.

The plans demonstrate the substantial work counties have undertaken in developing their approach to caring for youth—what programming they need, what facilities they will live in, and how counties will use data and outcomes to measure the success of their approach.

"The Office of Youth and Community Restoration shall review the plan to ensure that the plan contains the all elements described in this section and may return the plan to the county for revision as necessary prior to final acceptance of the plan." Welfare & Institutions Code 1995(f).
