Presenter Shanalle Patterson, Member

Shanalle shared that the workgroup had concluded its findings and was prepared to present the document they had been developing. She would send the document to the Probation Board Support email so it could be distributed to Board members for review and edits. This agenda item will be moved to the July meeting to allow the Board time to review the document prior to voting on the credible messenger plan.

Agenda Item 7: Re-entry Funds Update

Presenter: Chief of Departmental Services, Dawn Isais, Probation

Chief Isais reported there is an active document maintained to track Re-entry fund expenditures. The document is organized by categories, including education, housing supplies, baby supplies, and transportation. To date, total expenditures amount to \$21,818. The document may be shared, as it does not contain any identifying information about the youth. Additionally, VOYA Re-entry fund cards have been created for distribution to the youth and community partners to help raise awareness about the availability of these funds. Chief Isais shared that she would like to hear from the board on additional ways the re-entry funds could be utilized.

Shanalle Patterson suggested forming a workgroup to discuss ideas and potential uses for the funds. She also expressed interest in learning more about CalAIM and proposed creating a comparison chart on VOYA Re-entry funds versus CalAIM funding. Chair added that it would be beneficial for the board to receive a presentation on CalAIM on the next JJCC Realignment meeting.

Agenda Item 8: ACTION ITEM: Discussion and review of recommended edits and formula changes for the 2026-2027 Juvenile Justice Realignment Block Grant Annual Plan. Vote on JJRBG Plan: Pending approved recommended changes

Presenter: Chief of Departmental Services, Dawn Isais, Probation

Chief Isais provided a brief overview of the Block Grant Plan and discussed the templates and guidelines established by the Office of Youth and Community Restoration (OYCR). The plan is a fluid document, and any updates or revisions submitted will be reflected using track changes.

Each January, the plan will be distributed to board members for review, feedback, and suggested edits. The Chair encouraged board members to remain actively engaged in reviewing the document and communicate any recommendations or revisions upon receipt. Typographical corrections may be made at this time; however, content changes requiring discussion or research will not be changed at this time as the plan needs to be submitted by May 1.

Judge Lindquist identified typographical errors in the plan and relayed them to the board. She stated that she would email all noted corrections to the Probation Board Support email. Marc Nigel also noted that some programs referenced in the plan are no longer active.

Chair reviewed page 5 of the plan, specifically the section outlining recommendations, and emphasized that they are intended as recommendations only.
